

*Pointing Our Children
to God*

Psalm 78:1-8

1. All of God's people must invest in the spiritual growth of our youth.
2. We need to tell them the praises of God—who He is, and all that He has done for us.
3. We need to admit to them our own spiritual failures & tell them of God's forgiveness.
4. We do this to inspire them to live for God.
