

*Let God Lead You*

Genesis 24:1-67

1. Be committed to God and His **PURPOSES** for marriage and for your life.
2. Seek the counsel of **PARENTS** and godly mentors.

3. Make the person's godliness and character your **PRIORITIES**.
4. Be **PATIENT**—it's better to be unmarried than to marry the wrong kind of person.

5. PRAY for God to lead you.

6. PREPARE for marriage by being the kind of person you'd want to marry.

7. Keep yourself PURE until marriage.

8. Have a right PERSPECTIVE on what love really is.
