

A woman's profile is visible on the left side of the frame, looking upwards towards a bright, cloudy sky. The sun is shining from the top left, creating a lens flare effect. The clouds are illuminated with a warm, golden light.

ECCLESIASTES

Making Sense Out of Life

***God's Perfect
Providence***

Ecclesiastes 3:9-15

God's Providence refers to His care for all of His creation, in preserving it, providing for it, and guiding everything that happens for His perfect purposes.

1. God always does everything at just the right time.

Galatians 4:4

“But when the fulness of the time was come, God sent forth his Son, made of a woman, made under the law, ...”

Romans 5:6

“For when we were yet without strength, in due time Christ died for the ungodly.”

- 1. God always does everything at just the right time.**
- 2. As much as we long for eternity, God has perfect plans for us right now.**

So what are we to do now?

A. We should use the time we have in joyful service to God.

B. We need to accept and trust in God's sovereignty over time and eternity.
