Seeing the Harvest

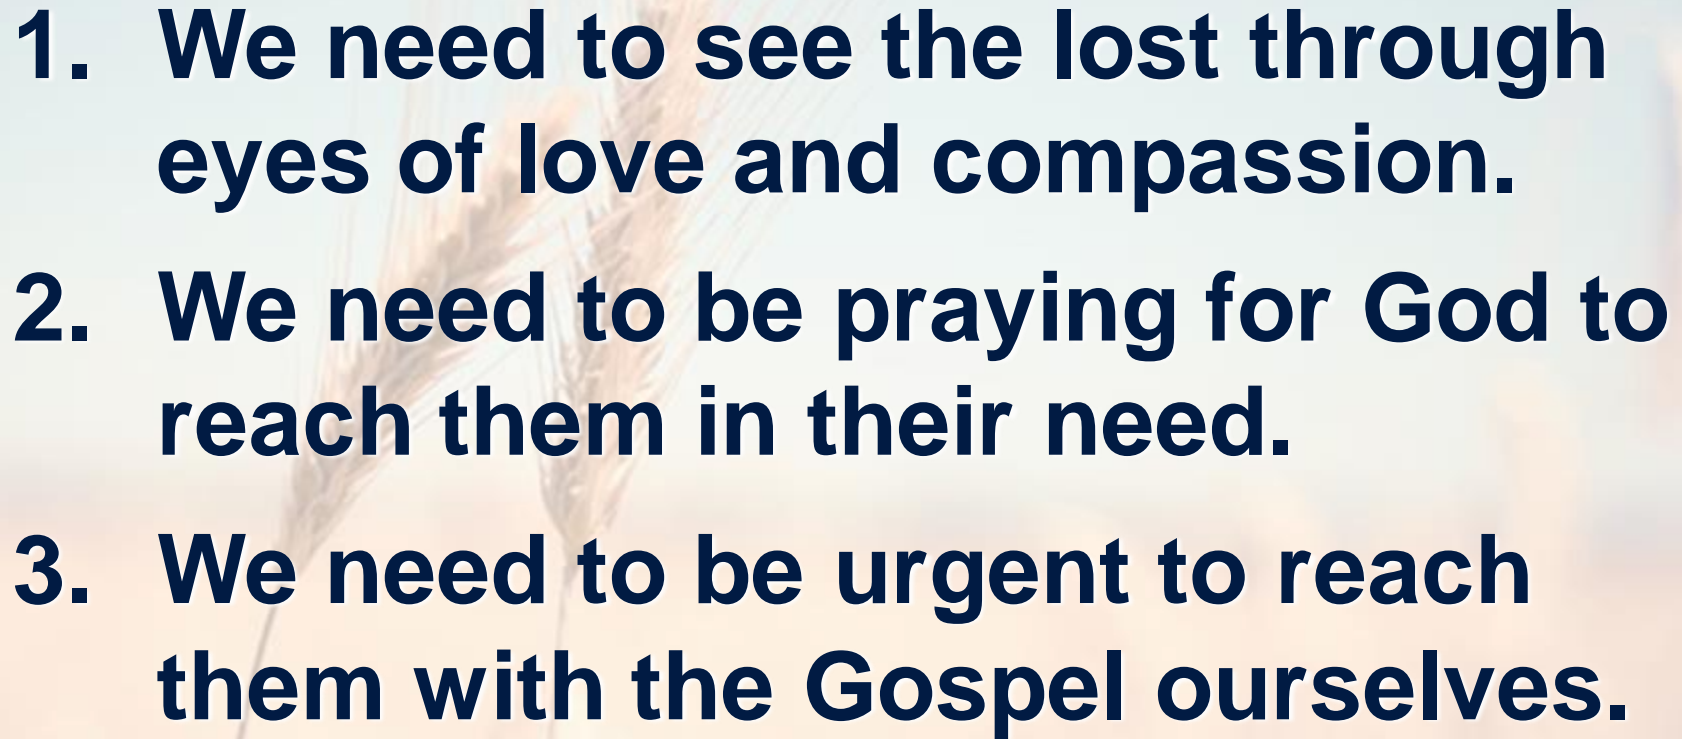

Matthew 9:35-38

- 
- 1. We need to see the lost through eyes of love and compassion.**
 - 2. We need to be praying for God to reach them in their need.**
 - 3. We need to be urgent to reach them with the Gospel ourselves.**

**“Those who speak regularly to
God about people will soon find
that they also speak regularly
to people about God.”**

~ Gerhard DuToit
