

How the Devil Tempts Us to Sin

Matthew 4:1-11

- 
- 1. The devil always questions what God has said, including what He has said about you.**
 - 2. The devil looks to tempt us when we are most vulnerable.**

- 
- 3. The devil's temptations often involve things that aren't, in themselves, wrong.**
 - 4. The devil is always trying to undermine our trust in God.**

5. The devil will seek to entice you by twisting God's words.

6. The devil may even tempt you about things God may intend for you.
